

Dear pen-friend,

My name is Alex. I am from Great Britain. I like travelling very much. I would like to tell you how I spend my summer holiday.

There are many countries I visited. Here are some of them Poland, Germany, America and France. My holidays started in June. I visited many interesting places, different museums, beautiful cities. I saw a lot of famous pictures in Louvre, in Paris; made friends with famous characters in Disneyland. There was very interesting and I would like to visit it again.

See you soon!

Alex
